ABOUT US ❀

Established in 2015, Baleton is a flower shop with a determination of being an impactful and community-centred platform, mainly in the florist industry. We provide various type of flower arrangements, arranged beautifully with Baleton's signature style. **Customer and community are Baleton's prior, we are determined to provide a platform to complete them in an impactful way.** The impact that comes along from the three-sixty process is what matter to us, not only the result.

From time to time, we managed to give our customer satisfaction and other community professional experience in our field. We are passionate in developing a larger community, process over result. **Baleton's focus is to bring you the experience of having a bigger community who offers a complete process in this industry with professional touch.** With Baleton, we bring you from cover-to-cover noteworthy journey in the floral industry.

Why Choose Baleton Flowerchef?

Wide Range of Programs

Corporate gifting, PR seeding, flower workshops, event décor, activation support, and custom floral experiences.

Scalable for Any Requirement

From personalized gifts to nationwide activations, our team and processes are built for scale.

9+ Years of Proven Experience

A stable, established brand with deep expertise in flowers, design, and execution.

Reliable and Professional Service

Dedicated handling team, on-time delivery, and clear communication at every stage.

Customizable Solutions

Tailored arrangements, concepts, and programs based on your brand needs — from daily gifting to large-scale events.

Trusted by Leading Brands

Selected by major companies for campaigns, client gifting, activations, workshops, and corporate celebrations.

Consistent Quality & Satisfaction Guarantee

Every order is handled with strict quality control, supported by our satisfaction guarantee to ensure a seamless experience.

Celebrate every *moment* you cherish with Baleton
