

# A Guide to Baleton's Workshops

FROM DAILY FUN TO EXPERT FLORAL TECHNIQUES

## Baleton Kids

It's flower time! At Baleton Kids, your little one will snip, stick, and smile their way through their first flower play. From mixing colors to feeling fun textures, it's the perfect way to spark creativity and build those tiny motor skills, while having tons of fun!

## Fun Workshop Every Day

This relaxed and enjoyable daily class is open to everyone, regardless of skill level! Join us and dive into the world of flowers with available sessions.

Choose your package, pick your flowers, and let our Baleton florists guide you. We'll provide everything — just enjoy making your beautiful arrangement, solo or with your friends!

## Fun Workshop Every Weekend

Weekends are meant for fun, and what could be better than a Flower Workshop with a fresh theme each week? Whether it's crafting flower baskets, boxes, vases, or hand bouquets, each session brings something new. Plus, we often collaborate with other guest teachers for special classes!

Perfect for a flower date, family bonding, or a fun day with friends. And guess what? We've got a sweet deal if you bring a buddy—just grab 2 pax for a special price! Come join us every Saturday or Sunday and get creative with flowers.

## Floristry Class (BALETON PLUIT ONLY)

Ready to take your flower skills to the next level? Our Flower Class is perfect for those who are truly passionate about learning the art of flower arranging.

We'll dive deep into flower theory, offer detailed demos, and guide you through hands-on practice. You'll learn how to create beautiful arrangements in various shapes, like hand bouquets, round boxes, vases, and baskets.

Whether you're a newbie, intermediate, or advanced, this class has something for everyone. We also feature special sessions with guest teachers and offer a variety of special themes.
